HUNGER INTERVENTION PROGRAM
2019-20 REPORT TO THE COMMUNITY

HIGHLIGHTS

- Served 2x the total number of meals compared to the last fiscal year in response to the COVID-19 pandemic.
- Expanded Summer Eats program into Spring and Fall to support children who lost access to regular school meals due to school closure.
- Delivered 4x the number of Healthy HIP Packs per week to help struggling families through the pandemic.
- Started home delivery of meals and groceries to support homebound seniors, families, and children during the pandemic.
- Launched the Community Food and Fitness Program supporting different minority populations in North Seattle.

POUNDS OF DONATED FOOD

RAVES

“I don’t think I would have survived the quarantine without my food deliveries, I would have had to beg, borrow and steal to survive!” - Linda McDuffie, an 80-year-old, who is mostly homebound and received HIP’s regular food delivery.

The mission of Hunger Intervention Program (HIP) is to increase food security for underserved populations in north King County through nutritious meals, educational programs, and advocacy.
