

Hunger Intervention Program Strategic Plan 2023 - 2027

Our Vision: Nutritious food that is accessible to everyone in our community.

Our Mission:

To increase food security for underserved populations in North King County through nutritious meals, educational programs, and advocacy

Who We Are:

At HIP, food is served as a vehicle for community and self-sufficiency. HIP is a direct service provider that partners with community organizations to achieve greater impact. We provide access to nourishment in a deeply engaging way that builds on the cultural role of food in the communities served.

Our Values:

Nutritious food, community, equity, empowerment, advocacy, and environmental sustainability

Our Strategic Objectives

Establish and Deepen Partnerships for Holistic Service Delivery

- Partner with value-aligned organizations to provide relevant wrap-around services to program participants
- Expand access points for food through partnerships with agencies that serve BIPOC communities

Build Community through Food

- Increase spaces where people can build community through culturally appropriate food
- Expand nutrition education classes and community kitchens

Deepen HIP's Commitment to Equity and Accountability

- Design and implement programs to reach those with systemic barriers to food access and strengthen the voice of these populations
- Build a diverse and inclusive community both internally and externally

Influence Systems Change

- Grow HIP's advocacy efforts to advance food systems change
- Increase participation of BIPOC individuals and communities engaged with HIP and active in anti-hunger advocacy

Expand Organizational Capacity and Well-being

- Develop and equip HIP's people and operating space to achieve its strategic plan
- Acquire and maintain a physical home that matches programming needs and aligns with HIP's values
